Spectacular waterfront retreat on the James River! Million dollar water views from almost every room. As you enter through the foyer, your attention is immediately given to the amazing view. The Family room, Master Suite, Second Master, Entertainment Room and walk-out Basement all have spectacular views of the water and provide ample space and ambiance for entertaining. First floor Master Retreat includes his and hers vanities, jetted tub and walk- in closet. Second Master is on first floor. 16' x 16' Sun Room is surrounded by Trex Decking. 17' x 15' Master on 1st floor has a spectacular view of the river. 14' x 24' Room in basement can be sectioned off for additional room if needed or turned into a large entertainment room. Separate out building has garage door and can be used for storage or workshop. Beautiful landscaping! Two metal double carports provide year round storage for boat or Jet skis. 126 feet of private sandy beach, directly across from the Chickahominy River, where the James River is 3.5 miles wide. Sophistication and elegance combined with function and form is the best way to describe this home. It's the perfect home for entertaining & family life.
